

MECHANIC'S

Driving Our Best Workshops.

KOMODO® Man's trustworthy Mechanic's Glove.

KOMODO® Man is back with his new general purpose oil resistant glove specially engineered for mechanics.

KOMODO® Man understands the harsh elements of auto repair, he knows you are constantly dealing with grease, oil and fuel AND he knows you still require a strong dexterous grip, from threading bolts to changing brake pads.

KOMODO® Man's Mechanic Glove is tailored to ALL the tasks a mechanic does everyday.

KOMODO® Man's Mechanic's Glove is an honest all-day glove that will see you through the gears and most importantly KOMODO® Man's Mechanics glove helps you get the job done, while protecting the longevity of your most valuable tool, your hands.
