

PRODUCT FEATURES

Benefits:

Use	Glovlet™ gloves are the comfortable and hygienic solution for perspiring hands, a fingerless, reusable cotton/nylon inner glove. Helps prevent skin irritation when using gloves for extended periods of time.
Donning	Damp-donning and quick changing during operations is easily accomplished thanks to the Glovlet™ glove's construction and comfort.
Soft Materials	A noticeably soft cotton/nylon blend that creates a highly breathable barrier between your hand and the chosen glove. Washable and re-usable.
Reduce Perspiration	Fingerless and re-usable cotton/nylon inner Glovlet™ designed to reduce perspiration when donned under other outer gloves.
Washing	Glovlet™ gloves are washable and reusable.
Applications	Great for gyms/sports, factory workers, mechanics, food industry and electronics industry.
